

FOUNDATION®: The Power to Control, the Strength to Protect

FOUNDATION® TURF HERBICIDE delivers powerful, broad-spectrum weed control with a unique four-way combination of active ingredients. Its standout feature, the DEA formulation of 2,4-D, boosts translocation for superior control of tough perennial weeds, while avoiding the environmental restrictions common with ester-based products. Supported by trusted active ingredients like Sulfentrazone, Dicamba, and Triclopyr, FOUNDATION ensures reliable, consistent performance across varying conditions—all while being gentle on turf. With unmatched application flexibility, FOUNDATION gives your turf the protection and resilience it needs to thrive.
