

## GDU to Mid-Silk ...... 1315

Pollination for Maturity ..... Medium

## **HYBRID HIGHLIGHTS**

- Dual-purpose type hybrid with unique combination of bottom-end torque and offensive, top-end yield potential
- best positioning is central and eastern regions with excellent southern movement
- Attractive, robust plant style with good canopy closure
- Semi-flex ear type with impressive feed quality

AGRONOMICS	
Greensnap	Average
Stalks	Above Avg
Roots	Very Good
Early Vigor	Above Avg
Drought Tolerance	Very Good
Silage Yield	Very Good

Stewardship® (ETS). Bayer products are commercialized in accordance with ETS Product Launch Stewardship Guidance, and in compliance with Bayer's Policy for Commercialization of Biotechnology-Derived Plant Products in Commodity Crops. This product has been approved for import into key export markets with functioning regulatory systems. Any crop or material produced from this product can only be exported to, or used, processed or sold in countries where all necessary regulatory approvals have been granted. It is a violation of national and international law to move material containing biotech traits across boundaries into nations where import is not permitted. Growers should talk to their grain handler or product purchaser to confirm their buying position for this product. Excellence Through Stewardship® is a registered trademark of Excellence Through Stewardship.

B.t. products may not yet be registered in all states. Check with your representative for the registration status in your state.

IMPORTANT IRM INFORMATION: RIB Complete® corn blend products do not require the planting of a structured refuge except in the Cotton-Growing Area where corn earworm is a significant pest. See the IRM/Grower Guide for additional information. Always read and follow IRM requirements.

ALWAYS READ AND FOLLOW PESTICIDE LABEL DIRECTIONS. Roundup Ready® 2 Technology contain genes that confer tolerance

to glyphosate. Glyphosate will kill crops that are not tolerant to glyphosate.

RIB Complete®, Roundup Ready 2 Technology and Design®, Roundup Ready®, Roundup®, and Trecepta® are trademarks of Bayer Group. Respect the Refuge and Corn Design® and Respect the Refuge® are registered trademarks of National Corn Growers Association. LibertyLink® and the Water Droplet Design® are registered trademarks of BASF Corporation. WILBUR-ELLIS logo, INTEGRA and INTEGRA logo are registered trademarks of Wilbur-Ellis Company LLC. All other trademarks are the property of their respective owners.

Before opening a bag of seed, be sure to read, understand and accept the stewardship requirements, including applicable refuge requirements for insect resistance management, for the biotechnology traits expressed in

the seed as set forth in the Technology/Stewardship Agreement that you sign. By opening and using a bag of seed, you are reaffirming your obligation and agreement to comply with the most recent stewardship requirements.
