

HYBRID HIGHLIGHTS

- Loves the Eastern Cornbelt!
- Good on variable and stress soils
- Phytophthora tolerance and K gene for wetter fields!
- Nice height and width
- Reduce planting population in productive soils

PLANT CHARACTERISTICS

HERBICIDE TOLERANC

Glyphosate Glufosinate Dicamba 2,4-D Choline

| Flower Color | Purple |
|-------------------|-------------|
| Pubescence Color | Light Tawny |
| Pod Color | Brown |
| Hilum Color | Black |
| Plant Type | Med-Bush |
| Plant Height | Med-Tall |
| Phytophthora Gene | Rps 1k |
| SCN Gene | PI 88.788 |

| DIG | FVGE | TUL | FDA | NCE |

Always follow grain marketing and IRM requirements and pesticide label directions. Agronomic characteristics and ratings may vary with growing conditions and environment. Ratings are approximate and should not be considered as absolute. Ratings on new products are based on limited data and may change as more data are collected. Extreme or variable conditions may adversely affect performance.

Performance may vary from location to location and from year to year, as local growing, soil and weather conditions may vary. Growers should evaluate data from multiple locations and years whenever possible. Contact your state pesticide regulatory agency to determine if a product is registered for sale or use in your state. Always read and follow label directions. The transgenic soybean event in Enlist E3® soybeans is jointly developed and owned by Corteva Agriscience and M.S. Technologies, L.L.C. Enlist Duo® and Enlist One® are the only 2,4-D products authorized for use with Enlist crops. Consult Enlist herbicide labels for weed species controlled. Always read and follow label directions.

Enlist, Enlist E3, Enlist Duo, Enlist One, and Enlist logo are registered trademarks of Corteva Agriscience and its affiliated companies. FORTUS and FORTUS logo are trademarks of M.S. Technologies, L.L.C., West Point, IA. All other trademarks, service marks, trade names, trade dress, product names and logos appearing are the property of their respective owners. K-373522
