

Shield Plants From Stress Events

BenVireo® Stimtide® is an innovative biostimulant designed to increase plant energy and strengthen plant metabolism for more resilient growth and development. BenVireo Stimtide reduces nutrient loss, phytotoxicity from herbicide application, and plant stress. Its action being quick and effective, it can be safely applied on all types of crops with benefits on nutrient uptake, yield, size and quality, and plant health.

GUARANTEED ANALYSIS

Total Nitrogen (N)5.00%
Water Soluble Nitrogen.....5.00%
